This includes satisfying both the needs of Parents and the needs of the student throughout the whole period the student is enrolled at the College. Management and security of personal information

The College's staff are required to respect the confidentiality of students' and Parents' personal information and the privacy of individuals. The College has in place steps to protect the personal information the College holds from misuse, loss, unauthorised access, modification or disclosure by use of various methods including locked storage of paper records and pass worded access rights to computerized records.

The College endeavours to ensure that the personal information it holds is accurate, complete and up-to-date. A person may seek to update their personal information held by the College by contacting the Principal at any time or by completing the update your details form on the website. The National Privacy Principles require the College not to store personal information longer than necessary.

You have the right to check what personal information the College holds about you

Under the Act, an individual has the right to obtain access to any personal information which the College holds about them and to advise the College of any perceived inaccuracy. There are some exceptions to this right set out in the Act. Students will generally have access to their personal information through their Parents, but older students may seek access themselves. To make a request to access any information the College holds about you or your child, please contact the Principal in writing. The College may require you to verify your identity and specify what information you require. The College may charge a fee to cover the cost of verifying your application and locating, retrieving, reviewing and copying any material requested. If the information sought is extensive, the College will advise the likely cost in advance.

Consent and rights of access to the personal information of students

The College respects every Parent's right to make decisions concerning their child's education. Generally, the College will refer any requests for consent and notices in relation to the personal information of a student to the student's Parents. The College will treat consent given by Parents as consent given on behalf of the student, and notice to Parents will act as notice given to the student. Parents may seek access to personal information held by the College about them or their child by contacting the Principal. However, there will be occasions when access is denied. Such occasions would include where release of the information would have an unreasonable impact on the privacy of others, or where the release may result in a breach of the College's duty of care to the student. The College may, at its discretion, on the request of a student grant that student access to information held by the College about them, or allow a student to give or withhold consent to the use of their personal information, independently of their Parents. This would normally be done only when the maturity of the student and/or the student's personal circumstances so warranted.
