

## Congratulations to the Class of 2023 on their VCE results

Congratulations to the Class of 2023 on their VCE results. We are proud of every student for their hard work and effort to pursue excellence and achieve these wonderful results. We have witnessed a breadth of talent across all subjects in our VCE and VCEVM subjects and inspiring assessment pieces that have contributed to these results.

We acknowledge and thank our OLSH College families for the support they have provided their daughters during their education journey. We are especially grateful to our teachers whose professionalism and commitment have helped these students to achieve their best.

As they begin their journey beyond secondary school, we thank the Class of 2023 for all that they have contributed to the life and legacy of the College over their time here. May they continue to strive for excellence and share their talents and the OLSH spirit as they take on every opportunity in their future.

*Excellent results. Exceptional students.  
We are so proud of you all.*
